The Board wishes to thank Rod Villere and Kevin Knox for the work they have done in the subdivision. Rod and Kevin pressure washed the brick entrance wall and Rod weeded and trimmed the bushes.

Discussion: Various homeowners pitching in to pressure wash entrance and parts of the bridge rather than hiring it out.

Special request to all homeowners to clean their mailboxes.

The Merciers are finally going to be Grandparents. Keith and Heather are going to have a baby "Boy." The baby is due around the end of July. Congratulations!

Regarding Dean Road there is nothing new to report.

Cemetery Road construction is okay because the parish assigned a Cemetery Road address to the lot.

Emmett is checking with the parish regarding street lights. Also he will speak to the Grass Man to find out exactly what they are cutting.

Please tell the CEHA Board of any drainage problems so that may be passed on to our parish council person.

Please note there are no bulkheads allowed if you live on the pond.

The parish still has no money to do any repairs on the bridge.

There will be no Easter party this year.

Loose pets are an issue that must be addressed daily. Please keep your dog on a leash and clean up after your pet.

Remember our speed limit is 20 mph. Summer is around the corner and children will be at play.

Please contact the CEHA Board if you would like to serve on the election committee to recruit officers or to serve as an officer to be voted on at the next meeting.

OUR NEXT HOMEOWNERS' MEETING IS SCHEDULED
