Chanticleer News

Our board members are working hard, but they need all of us to participate. Our meetings are only four times a year. Many important issues concerning all of us were discussed at the 2/21/06 meeting. Checking with parish and local agencies and companies regarding debris clean-up - 898-2323; checking with Resolve Systems about water quality and routine testing for safety; enforcing our current covenants and working towards finalizing the revised covenants; possibly having our utilities collected directly from the companies providing the services, were just a few. Please attend and get involved. Anyone wishing to work on any committee is appreciated. Feel free to contact any committee chairperson to get involved.

Happy Easter!

Join us for the Chanticleer cookout and Easter Egg Hunt on Saturday, April 8th at 3p.m. Please bring your drinks and a dish to share with your neighbors. For each child, please bring

 12 candy-filled plastic eggs for hiding.

 Hop on over to the N. Woodlake Way in the circle to gather for the fun!
